Mock Sentencing Hearing 30th January 2018

Introduction

As a Director or Senior Manager, your role is to ensure safety issues are addressed and the risks are reduced.

Failure to reduce risks can result in a prosecution regardless of whether there has been an injury to an employee.

This event is presented by Blake Morgan LLP Solicitors and the South Wales Working Well Together group.

The Mock Sentencing Hearing will focus on the Guidelines for Sentencing that came into force in February 2016 and which have resulted in a significant increase in penalties for offenders.

This is a hugely informative and a must-see event, providing a valuable insight into the legal responsibilities of all decision-makers who **arrange** and **carry out** construction work.

There is no charge for the event so **BOOK NOW as places are limited.**

Working Well Together (WWT) is about the industry working together to improve standards of health and safety.
