

JOIN G4C WALES TO BACK A GOOD CAUSE

CHRISTMAS CHARITY EVENT

Are you a young professional, a recent graduate or a newcomer to the built environment industry and have an interest in developing your career?

Then the CEW G4C Club is for you. We aim to promote and develop young people in the Welsh built environment, supporting emerging professionals, fostering their ideas and promoting their ability to benefit the wider industry.

We organise four networking events every year where you will have a chance to network with like-minded young people. Our Christmas social will raise funds to Construction Youth Trust.

Step into Christmas with the G4C Wales charity event and have a chance to network while enjoying Christmas drinks in a venue in Cardiff city centre. The funds raised at the G4C Christmas event will go directly to Construction Youth Trust.

Construction Youth Trust, established in 1961, is a registered charity working with young people to help them access employment opportunities in the construction industry.

The charity's Trustees all have strong links with the construction industry at a national and senior level. They are drawn from a spectrum of professions across the industry, reflecting the diversity its employment has to offer. The Trust relies on the financial support of companies and individuals who wish to ensure that young people continue to enter into construction.

Dress code: think Christmas, festive jumpers are a must – there will be a prize for the person most festively dressed!

06/12/12

Date Thursday 6th December 2012

Time 7pm - 11pm

Venue Cardiff

Cost £5

DESIGNED BY

**FAULKNERBROWNS
ARCHITECTS**

In order to reduce wastage at our events CEW operates a policy of only notifying venue details when issuing registration confirmation. This ensures we only cater for delegates who have registered and don't over order for individuals who may or may not turn up on the day.

You can register now by emailing cwalesevents@cewales.org.uk
