- Tendering / Tendo

- Increased costs with bidding work in Wales (32% of overheads)
Costau uwch gyda Gwaith bidio yng Nghymru
- Unrealistic tendering periods (particularly single stage D&B)
Cyfnodau tendro afrealistig
- Re-tendering costs on framework projects (circa £30k per bid)- no added value
Costau ail-dendro ar brosiectau fframwaith

Social Value / Gwerth Cymdeithasol

- Unrealistic expectations - apprentice targets are unfeasible and there has been funding cuts to many apprenticeship schemes
Disgwyliadau afrealistig - mae targedau prentisiaid yn anymarferol a bu toriadau ariannol i lawer o gynlluniau prentisiaeth
- Difficulty in procuring labour and personnel, particularly in mid Wales, making it increasingly difficult to meet the high expectations set by clients
Anhawster wrth gaffael llafur a phersonél, yn enwedig yn y canolbarth, sy'n ei wneud yn fwy anodd bodloni'r disgwyliadau uchel a osodwyd gan gleientiaid
- Forces contractors to commit to artificially high outcomes leaving contractors in precarious positions.
Gorfodi contractwyr i ymrwmo i ganlyniadau artiffisial o uchel gan adael contractwyr mewn sefyllfaoedd ansicr
- The high targets have resulted in some contractors being deterred from bidding
Mae'r targedau uchel wedi arwain at atal rhai contractwyr rhag gwneud ceisiau
- Multiple social value reporting methods and measurements
Dulliau a mesuriadau adrodd am werth cymdeithasol lluosog

Environment & Net Zero / Amgylchedd a sero net
