

Sponsorship Opportunities

The Constructing Excellence in Wales Awards are a celebration of everything the Welsh Built Environment has to be proud of.

As we look ahead to our 20th anniversary, the Awards continue to stand out as one of the highlights of the Welsh calendar. Over the past two decades, they have grown significantly, with more than 400 attendees regularly coming together to recognise the very best in construction across Wales.

This prestigious ceremony will take place on 12th June at the Celtic Manor Resort, showcasing excellence and rewarding the organisations and individuals who are driving our industry forward. The event offers an outstanding opportunity for companies wishing to demonstrate their commitment to innovation and leadership within the Built Environment.

Winners will be selected across 14 categories, including innovation, integration, delivering value, and sustainability. Details of the available sponsorship packages and the benefits they offer are outlined for your consideration.

Headline Package

- Your company becomes the 'headline sponsor' and is the only one that is referred to as such in all promotional material and on the night
