

## Member's Pledge

### Excellence by Example

Constructing Excellence in Wales is the united voice of the construction sector in Wales, a trusted platform to stimulate, challenge and drive meaningful change across the industry.

With limited Welsh Government funding, we rely on membership support to continue this vital movement.

The CEWales Member's Pledge is a formal commitment from you, the member, to uphold the values and principles of Constructing Excellence in Wales. It demonstrates alignment with the Well-being of Future Generations Act and a shared commitment to improving the built environment across Wales.

### Member Commitments

Members need to commit to:

- Driving a shared vision that real improvement, innovation and successful project delivery are achieved through collaboration
- Sharing knowledge and best practice openly within the sector and beyond
- Creating inclusive, supportive workplaces where individuals can thrive
- Improving opportunities and quality of life in communities, including jobs, training and apprenticeships
- Working in partnership to deliver a sustainable, low carbon built environment that meets today's needs without compromising the future
- Raising sector standards in quality, health, safety and environmental performance
- Actively engaging with clients, partners and stakeholders to improve end user outcomes
- Being fair and accessible, and offering real choice
- Committing to continuous learning, improvement and accountability

## **Our Commitment to You**

As a CEWales member, you have our full commitment to champion your voice across the Welsh built environment. We advocate for best practice, integrated teams, and outcome-focused delivery, and we work closely with Welsh Government, central UK Government, and the 22 local authorities through our partnerships, including with CLAW.

We will:

- Champion your role and support your leadership in collaborative working
- Provide platforms to connect, learn and share best practice
- Support the development of your local Best Practice Clubs
- Lead thought leadership through policy influence, working groups, and our strategic role with Welsh Government
- Promote the legacy we leave for future generations by supporting G4C Wales
- Deliver the CEW Awards, specialist groups, events, and task and finish initiatives that enable tangible sector change

We are your voice, representing the whole of the construction supply chain in Wales.

## **Leading by Example**

We ask members to actively promote these values by:

- Using the CEWales logo on letterheads, email signatures and tender documents, to demonstrate commitment and gain recognition
- Providing a testimonial and case study for publication to showcase your alignment with CEWales principles
- Encouraging your teams and partners to engage with CEWales events, networks, and working groups
- Demonstrating your commitment through your projects, workplace practices, and leadership across the sector

## **Agreement**

The CEWales Member Pledge is valid for the named organisation or company, effective upon becoming a member.

By becoming a member of Constructing Excellence in Wales, (CEW) your organisation confirms its commitment to the principles and values outlined in this Member's pledge. Membership constitutes agreement to uphold these standards and actively support the improvement of the Welsh built environment.
