

Heol Goffa Careers event

OVERVIEW

The Kier team were delighted to attend Ysgol Heol Goffa Careers morning last week!

We set up a series of hands-on taster sessions to give pupils a real feel for what different construction trades involve. Pupils had the chance to try their hand at sanding wood, screwing in nails using a range of tools, excavating sand and small rocks from one container to another, carefully meeting the level line just like on a real site, and even brick laying using foam bricks to practice placement and alignment. We loved taking questions from pupils and

It was a fully immersive, sensory experience where pupils could touch, smell, feel and explore materials such as sawdust, sandpaper, tools, foam bricks and more. The aim was to spark curiosity, build confidence, and give them a practical insight into the world of construction.

A huge thank you to the Heol Goffa team for welcoming us, your pupils were so engaged and just fantastic! We loved being part of such an inspiring day!
